LOSS OF LIFE

ASCRIBED TO POOR EQUIPMENT

ROTTEN ROPES AND LACK OF LIFE LINES ARE HELD RESPONSIBLE.

(By Associated Press.)

SAN FRANCISCO, Nov. 28.—Lack of discipline and inadequate equipment was charged today by passengers of the steamer President as being responsible for the loss Wednesday night of the fourth officer and two seamen in a storm.

Federal marine inspectors are to hold an investigation.

A passenger said the first boat lowered in an attempt to rescue a passenger washed overboard was smashed because the forward fall broke, pitching three of the crew out. It is alleged there were no life lines of proper size. It is also charged that delay in lowering the second boat was responsible for the drownings.

In the accident Fourth Officer J. Shane, Quartermaster O. Jurisbeck, Seaman H. Hansen and a passenger, whose name was not ascertained, were drowned off the steamship President Wednesday night in a storm raging off Cape Blanco. The passenger was washed overboard and the others were drowned when they tried to rescue.

SHIPMENTS OF CATTLE.

Nine cars of fat cattle will leave Sparks tomorrow for San Francisco, where they will be put on the market at once. Friday there will be 22 cars of sheep and 8 cars of cattle leave Sparks for the coast markets.

Nevada meat is commanding the highest prices on the coast markets and it is eagerly sought after. One car of potatoes and two cars of onions are being loaded today for the coast markets and will be snapped up at once by the buyers as soon as they arrive at their destination.—Sparks Tribune.

ACCUSED OF CRIME.

Avery Cooley, a stenographer of Andrews, Ore., is held at the Humboldt county jail in Winnemucca on a charge of forgery. He is accused of having forged the name of his employer to several checks, aggregating \$750, and cashed them in Winnemucca recently.

DEATH OF RAILROAD MAN.

Dispatches tell of the death from pneumonia at San Francisco of W. C. Wood, a resident of Wadsworth and well known to railroad men at Sparks. He was superintendent of the construction work on the Fernley-Lassen railroad.

BUTLER THEATER.

A high-class program of pictures will be shown at the Butler this evening. An Essanay drama, "Why Branches Billy Left Bear County," a Pathé comedy, "A Clever Story," full of merriment and laughter; an Essanay drama, "The Contents of a Suit Case," one of Longfellow's stories. It is a case between a pig in the bag or a lot of greenbacks. It happened to a well-dressed swain en route to see his fiancée. A Self production, "The Tolls of Deception," some of the principal stars of the Self company taking part in this play. Saturday, "Tony the Fiddler," a two-reel Essanay feature. Sunday, "The Vampire," three-reel Kalem, introducing the great vampire dance. This is the first time this feature has been shown in Tonopah.—Adv.

ADVISES AGAINST RUSH TO COPPER CANYON

T. G. Bravazon arrived last night from Battle Mountain. He spent several days at Copper canyon, inspecting the placer properties, and says the reports of their richness have not been exaggerated. He says that many people are going into the district, but the accommodations are inadequate for those already there. Until conditions improve so the incomers can be taken care of, the rush to Copper canyon will mean hardships and exposure for those who are without tents, bedding and provisions.—Winnemucca Star.

KNIGHTS OF COLUMBUS HOLD AN INITIATION

Knights of Columbus will put on the second and third degrees at Goldfield next Sunday, when all members of the order and visiting knights are invited to join. It is believed that over 100 members will go from Tonopah. They will leave here by the regular train and return by a special train, leaving the southern terminus at about midnight. A special rate of \$2 for the round trip has been provided. This rate is open to the public.

JUDGMENT FOR PLAINTIFF.

A verdict for \$12,500 in favor of the plaintiff for personal injuries was returned Wednesday in the federal court at Carson City in the case of James Cunningham against the Keane Wonder Mining company.
